**ALTO-VIOLIN (Viola-)**

This part is identical with the regular Viola part, and has been added for the convenience of violin players who wish to play the Viola, without learning the Viola clef.— The Viola is tuned in the regular way as follows:—

First String  "A"      Second String  "D"      Third String  "G"      Fourth String  "C"

The Violinist plays this part on the Viola (*with above tuning*) reading his part exactly as if he were playing the Violin.
