LAYS
OF
SWEDEN AND FINLAND.

Eventer af Finska Sångar.

ARRANGEMENTS AND ENGLISH WORDS BY
SELMA BORG & MARIE A. BROWN.

These beautiful emanations best interpret the nature of the people from which they sprang. Musical expression is their spontaneous utterance; whether in melody of verse, or melody of tone. The Northern languages in themselves are poetry; and many of the oldest folk-songs, whose origin cannot be traced, have been recently written down for the first time by the composers of our day.
