Behind the Scenes.

LADY. Sy.P. Sweet Echo, sweet-est nymph, that liv'st unseen Within thy airy cell,

By flow Me-an-der's mar-gin green, And in the vio-let embroid'rd vale

Where the love lorn nightingale Nightly to thee her sad song mourn-eth well,

Can't thou not tell me not tell me of a gentle pair, That liketh thy Nar-cif-fus Nar-

cif-fus are? Oh, if thou hast hid them in some flow'ry cave, Tell me but where, Tell me but where,

Sweet queen of parly, daughter of the sphere; So may'st thou be translated to the skies, Sy.

So may'st thou be transla-ted to the skies, Sy. And give resounding grace And give resound-ing grace

Allegro

Fly swiftly ye minutes till Comus receive; The

nameless soft transports that beauty can give. The bowl's frolick joy let him teach her to prove, And she in return yield the

raptures of love, And she in return yield the raptures of love; Without love and wine, wit and

beauty are vain, Pow'r & grandeur in - si - pid, and riches a pain, Sy The most splendid palace grows dark as the grave, grows dark as the grave!

Love & wine give ye gods, or take back what ye gave; Love & wine give ye gods, or take back what ye gave, or take back what ye gave!

AIR, M^{rs} CLIVE.

Fame's an echo, Sy prattling double, Sy An empty, ai-ry,
 Glit'ring bubble; Sy A breath can swell, a breath can sink it, Sy The wife not worth their keeping think it, Sy Why then, why such toil & pain,
 Fame's uncertain smiles to gain! Sy Like her sister fortune blind, Sy To the best she's oft un-kind, Sy And the worst her
 favour find, And the worst her favour find, Sy And the worst her favour find, Sy

AIR, M^{rs} ARNE.

Would you taste the noon-tide
 air, To yon fragrant bow'r re-pair, Where, wov'n with the poplar bough, The mantling vine will shelter you, The mantling vine - - will shelter you.
 Down each side 'a fountain flows Tinkling, murm'ring, as - - it goes, Lightly o'er the mossy ground, Lightly o'er the mossy ground, Sultry Phoebus

Come, come, bid adieu to fear,

Love and harmony live here. Sy.

No domestick jealous jars, Buzzing flanders, wordy wars, In my presence will appear; Love and harmony

reign here.

Sighs to amirous sighs returning, Pulses beating, bosoms burning, Sy

Bosoms with warm wishes panting, Words to speak of

wishes wanting, Are the only tumults here, All the woes you need to fear, Love and harmony

Love and harmony reign here.

PASTORAL NYMPH.

How gentle was my Damon's air, Like sunny beams his golden hair, His voice was like the

nightingale's, More sweet this breath than flowry vales. How hard such beauties to resign! And yet that cruel talk is mine.

Amorofo

On ev'ry hill, in ev'ry grove, A long the margin of each stream, Dear conscious scenes of former love I mourn, and Damon is my theme

The hills, the groves, the streams remain, But Damon there I seek in vain, The hills, the groves, the streams remain, But Damon there I seek in vain.

From hill, from dale, each charm is fled, Groves, flocks and fountains please no more, Each flower in pity droops its

head, All nature does my loss deplore, All, all reproach the faithless swain, Yet Damon still I seek in vain, All, all reproach the faithless swain, Yet Damon still I seek in vain.

AIR. MRS CLIVE.

Allegro The wanton god who pierces hearts,

Dips in gall his pointed darts, But the nymph disdains to pine, Who bathes the wound with rosy wine, rosy wine, rosy wine, Who bathes the wound with rosy wine. Sy.

Farewell, Farewell lovers when they're droyd, If I am feared because enjoy'd, Sure the squeamish fops are free, To rid me of dull

company, Sure they're free, Sure they're free To rid me of dull company. Sy.

They have their charms, while mine can please,
 I love them much, but more my ease,
 Jealous fears me ne'er molest,
 Nor faithless vows shall break my rest.
 Why should they e'er give me pain,
 Who to give me joy disdain?
 All I ask of mortal man,
 Is but to love me while he can.

AIR. M^r BEARD.

Nor on beds of fading
 flowers, shedding soon their Gaudy pride,
 Nor with swains in siren bowrs,
 Will true pleasure, Will true pleasure long re-
 side. On awful virtues hill sublime, Enthroned sits th' immortal fair;
 Who wins her height, must patient climb, The steps are
 peril, toil and care, So from the first did Jove ordain, Eternal bliss for transient pain, Eternal bliss for transient pain.
