ORNATISSIMO VIRO, PE-  
ETATE, SAPIENTIA, ERVDITIONE AC VIRTV.

TE PRAESTANTI, D. HIERONYMO BAVMGARTNERO, INCLYTAE REI

pub; Noribergensis Senatori, Ac Ecclesiae & Scholarum ibi PRA-  
posito: Domino ac Patrono suo omni Reue-  
rentia colendo.

NEPTVS ESSEM, AMPLISSIME ET PRVDENTISSIME VIR,  
si apud tuam amplitudinem, quæ de studijs optimarum artium rectissi-  
mè iudicat, longam artis Musicae commendationem instituerem; cum  
nec ætate, nec iudicio ita confirmato sim, vt, quanta sit huius artis digni-  
tas, peruidere possim; & extent tot præstantissimorū virorum encomia,  
vt meritò actum agere, & Iliada post Homerum canere existimandus sit is, qui amplio-  
rem eius artis prædicationem suscipiat. De me tantum dicam.

Ego ab ineunte ætate vel natura, vel vsu et assuefactione præter cæteras artes Mu-  
sicam amaui. Cumq; viderem præstantissima ingenia eius studio occupari, obq; felici-  
ter in ea nauatam operam apud omnes bonos in precio haberi, sensi animum meum mi-  
rificè incendi, ad eam artem magis amandam, atq; excolendam: Omnino enim iudica-  
bam, Viros ingenio & iudicio præstantes non nisi in arte præclarissima elaboraturos es-  
se. Data igitur à me est opera, non tantum canendo vt me exercerem, sed etiam vt ipse  
aliquid Musici operis conficere atq; componere possem, quantum verò consecutus sim,  
aliorum esto iudicium, mihi ipsa artis exercitatio & iucunda per se, & satis fructuosa est.

Cum autem nunc Cantiones quasdam à me compositas in promptu haberem, quas meorum amicorum aliqui, quorum iudicia contemnere non debeo, dignas censerent, quæ pluribus communicentur, eorū voluntati morosè repugnare nolui. Illas igitur Cantiones Tuæ Amplitudini offero, non ut ijs magnificè me efferam ( agnosco enim tenuitatem meam ) sed ut Tuæ Amp: quasi rationem vitæ & exercitiorum meorum reddam, quæ cuiusq; qualia sint, eius non parum interesse ut sciat, puto: Deinde etiam ut pro ingentibus beneficijs, quibus à Tua Amp: homo peregrinus, nihilq; tale meritis, cumulatus sum, aliquam grati animi significationem ostendam. Planè autem mihi polliceor, Tuam Amp: hoc quicquid est studiij atq; opellæ meæ, non aspernaturam.

Christus vnicus Saluator noster, Tuam Amp: Ecclesiæ & Reipub: nostræ diu seruet incolumem, ac ut me sibi commendatum habeat, submissè oro. Ego etiam, Deo auxiliante, assiduitate & fide in officio, totaq; vita mea, talem me geram, ut Tuæ Amp: beneuolentiam & fauorem maiorem promereri possim. Datae Noribergæ, die 28. Octobris, anno salutiferi partus M. D. LXXV.

Tuæ Amp:

Addictis:

Leonardus Lechnerus  
Athesinus.
