## IN MOONLIGHT

(ARIETTE)

As the moon's soft splendour  
O'er the faint cold starlight of heaven  
Is thrown,  
So thy voice most tender  
To the strings without soul has given  
Its own.

Though the sound overpowers,  
Sing again, with thy sweet voice revealing  
A tone  
Of some world far from ours,  
Where music and moonlight and feeling  
Are one.
