OPERATIC ANTHOLOGY

CELEBRATED ARIAS SELECTED FROM
OPERAS BY OLD AND MODERN COMPOSERS
Edited by MAX SPICKER

(In 5 volumes: *Soprano, Alto, Tenor, Baritone, Bass*)

PRICE: Paper, each *net* \$1.50; Cloth, each *net* \$2.50

These five volumes of the OPERATIC ANTHOLOGY form one of the most complete and thoroughly representative selections of dramatic airs ever published. The music comprises arias with their preceding recitatives, when such exist, including selections from French, Italian and German composers, ancient and modern. The collection also contains airs belonging to operas little known or difficult and expensive to obtain, and thus puts into the singer's possession a wealth of unusually interesting material.

ANTHOLOGY OF SACRED SONG

CELEBRATED ARIAS SELECTED FROM
ORATORIOS BY OLD AND MODERN COMPOSERS
Edited by MAX SPICKER

(In 4 volumes: *Soprano, Alto, Tenor, Bass*)

PRICE: Paper, each *net* \$1.50; Cloth, each *net* \$2.50

These volumes of SACRED SONG will be found of the greatest value to singers, especially to soloists of church choirs. The selection they offer is uncommonly rich, and includes not only a number of the best known songs, but others less familiar, as well as songs from oratorios difficult to procure in a form adapted to the singer's needs. Songs of rare beauty have been unearthed from forgotten works of the past, and many have been culled from modern works that have not become widely familiar. Every care has been taken to make the collection a thoroughly practical one for the use of all singers.
