## OPHELIA PULSE M.D.

WORDS AND MUSIC BY

The Lady Doctor.

LAWRENCE HANRAY.

This is an age of progress and perhaps the greatest sign of it is the woman's movement; women now usurp the place of men in every walk of life. We have lady lawyers, lady politicians, lady journalists, lady doctors — the following song tells of one of the latter, a lady of great skill and enterprise, by name Miss Ophelia 7

### Ophelia Pulse M. D.

I sing of a lady doctor Who has made a great success; Her practice they say Is worth every day A hundred or more, or less. She's put up her name on a big brass plate To catch your eye as you pass, And that isn't all, I am sorry to state About her which is brass! Ophelia Pulse M. D. Has many a high degree; She'll take your temp'rature, take your tin, If you take her out she will take you in! Oh, where will you stop if you once begin With Ophelia Pulse?

Ophelia Pulse M.D.

Ophelia is quite a marvel, She's the smartest thing on earth! They say she has such A magnetical touch-

She'll touch you for all you're worth. Her patients she doesn't attempt to cram

With physic till all is blue, She's fond of prescribing a bottle of cham, And she'll help you drink it too!

Ophelia Pulse M.D.-

A wonderful doctor she;

She'll say "You go to a nice warm place, And I'll come with you to watch your case!" And isn't it warm when you go the pace

> With Ophelia Pulse? Ophelia Pulse M. D.!

2

She's not a success with ladies, With her cures they don't agree;

If you value your life

Never speak to your wife

Of Ophelia Pulse M.D.

- She said to me "Exercise! that's what you Require, don't loiter or crawl;
- And I'll see, old boy, that you take it too At Covent Garden ball!"

Ophelia Pulse M.D.-Oh, isn't she H.O.T.! She took me down to the ball and sup, She took *them* down for a silver cup, Then a p'liceman came and he *took me up* And Ophelia Pulse! Ophelia Pulse M.D.!
