

# Beauty & Love

Peter Dyson

A Setting of Andrew Young's  
Poem for SATB

**Beauty and Love**

Beauty and love are all my dream;  
They change not with the changing day;  
Love stays forever like a stream  
That flows but never flows away;

And beauty is the bright sun-bow  
That blossoms on the spray that showers  
Where the loud water falls below,  
Making a wind among the flowers.
