FOR THE PIANOFORTE.

BY

FRANKLIN TAYLOR.

This Collection of Studies is intended to illustrate the various elements of a complete course of pianoforte *technique*, and to provide students with the means of attacking and overcoming the different special difficulties which have to be encountered. With this view, the Studies have been arranged in groups, those in each group being placed in progressive order, and having reference to some one particular difficulty. The greater part of the Studies themselves have been selected from the standard works of the most eminent Study-writers, and with these are included numerous others, which, though of equally great practical utility, have hitherto been less generally accessible.

\* These Books contain Studies composed by Mr. Franklin Taylor specially for this Series.

FIFTY-SIX BOOKS, PRICE TWO SHILLINGS EACH.

FROM THE ABOVE:

FROM THE ABOVE:  
SELECTED PIANOFORTE STUDIES

PROGRESSIVELY ARRANGED BY  
FRANKLIN TAYLOR.

The present collection of Studies is designed to provide teachers with a short course of Pianoforte Technique adapted to the needs of the average pupil, the intention being to spare the teacher the labour of choosing a sufficiently varied selection from the large mass of material existing, and at the same time to ensure that the different departments of technique shall be undertaken in the order which experience has proved to be the most beneficial.

The Studies are grouped in two Sets, and are so arranged that the different Books in which they are contained may be taken in consecutive order, but pupils who are already further advanced than the elementary stage represented by Set I. may commence at once with Set II., which will be found to be complete in itself, and to illustrate all the essential elements of technique.

Where additional studies are desired, or studies on certain subjects which are not touched upon in this series, the larger collection, published under the title of "Progressive Studies" (from which the present examples have been selected), is of course available.

IN TWO SETS (EIGHT BOOKS), PRICE TWO SHILLINGS AND SIXPENCE EACH BOOK.

(June, 1928.)
